EXTREME - ALL-WEATHER DÉCOR PANEL

If you're looking for an alternative solution to conventional and unadventurous exterior cladding, then Matchboard's innovative Extreme all-weather décor panel is the ideal solution for creating elegant and bespoke fascias.

Update unappealing and drab exteriors with a selection of profiles and colours that can be tailored to your requirements. Our ingenious Grip-Fit jointing system also means Extreme is completely watertight with no unsightly jointing strips.

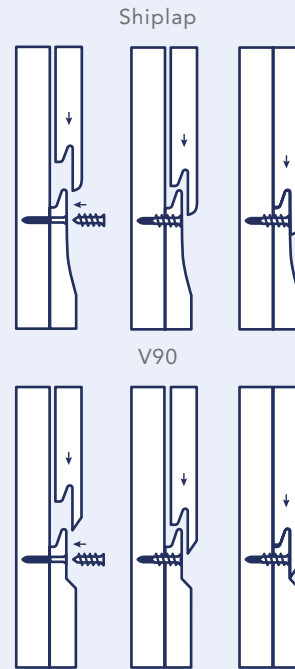

Tricoya is guaranteed weatherproof for 50 years. Paint finish guaranteed weatherproof for 10 years.
